

**LETTER OF INTENT**Date: **11-Sep-2024**

**Name: Akhil Anupoju**  
**College: Bangalore Institute of Technology**

Dear **Akhil**,

Thank you for exploring career opportunities with MathCo (TheMathCompany Pvt Ltd). You have successfully completed our selection process, and we are pleased to extend an offer for the position of **Trainee Analyst** based at our **Bengaluru** office.

At MathCo, our mission is to be the **enterprise AI partner of choice** for the world's leading companies, and we look forward to you joining us in this journey. We are confident that you will find MathCo an inspiring and enriching environment to learn, grow and do high impact work.

Your journey with MathCo will begin with the **Challengers** program, a comprehensive and customized training designed to prepare you to reach your full potential in your specialization. This program will ensure a seamless transition into the corporate world and provide you with a glimpse into MathCo's culture of meritocracy, growth, and collaboration, with individuals at the core of our values.

Enclosed with this letter, you will find important information regarding your compensation and benefits package.

You will receive your formal offer letter along with your joining date in due course.

Thanking You,

Ashish Thomas Sam  
Head - People & Operations
